CAMARA IBRAHIMA

FULL STACK ENGINEER

Over 10 Years of Experience

EXPERIENCE

May 2021 - Present **COMAFRIQUE TECHNOLOGIES**

Full Stack Developer for Key Accounts

As the dedicated Full Stack Developer for key clients such as MTN Benin, Ivorian Electricity Company (CIE), Water Distribution Company of Côte d'Ivoire (SODECI), and the National Electricity Company of Burkina Faso (SONABEL), ANRMP - Côte d'Ivoire, I successfully completed several full integrations both in virtualization environments and on-site.

MaY 2019 - April 2021 **COMAFRIQUE TECHNOLOGIES**

Application Developer / Project Manager

Leading an eight-member team, my responsibilities included identifying and overseeing all technological innovation projects, ensuring compliance with deadlines, costs, and quality standards.

March 2015 - April 2019 **COMAFRIQUE TECHNOLOGIES**

Web Developer / Data Analyst

My mission encompassed two main aspects: providing IT training for students and developing an application dedicated to the fashion industry.

2014 **ECOLE DE MODE TIDIANE T. (EM2T)**

IT Manager

My mission encompasses two main aspects: providing IT training for students and developing an application dedicated to the fashion industry.

2013 **OMNITECH IT Engineering - Software**

Web Developer

Collaborated within a three-person team on several development projects.
